

# ŁUKASZ SZUMILAS

E-mail: **lukaszszumilas9@wp.pl**

Phone: **784 457 832**

Date of Birth: **10.01.1997**

Location: **Kraków**

*I am a 3rd year student of Power Engineering at the AGH University of Science and Technology in Krakow. I am a brave person in taking up new challenges and willing to work, which is confirmed, among others, by my departure to work in England for a year right after high school. My strengths are definitely: integrity, willingness to constantly learn and commitment.*

## ● Education

10.2018 – currently 3 years.

Field of Study: **Power engineering**

Degree: **Engineer**

Additional details:

Thanks to my study, I have the opportunity to get to know the energy industry and the latest technologies. They also place great emphasis on continuous learning, thus rapidly assimilating knowledge and solving problems effectively.

They also develop many of my competences, such as creativity, group work, and presentation skills.

## ● Work Experience

10.2020 6 months

**Junior Debt Control Specialist** | Capgemini | Poland/Kraków

Short description:

In Capgemini I was responsible for Debt Control. My daily responsibilities were mostly communicating with customer, forecasting, usage of various programs to complete tasks and similar.

Working for Capgemini greatly increased many of my skills. Among others:

- Teamwork, as I was part of Team, we had to backup each other, help fulfilling tasks and distribute work between us
- Computer skills, as I was working mainly remotely using computer I developed and increased general computer skills, programs and similar
- Customer service and effective communication, I was mailing / having a calls on daily basis, what greatly increased my communication skills

06.2018 – 09.2018 4 months

**Order Picker** | Otto Work Force | Holland/Ede

Short description:

My job was to complete orders online, ensure the quality and completeness of orders and meet a certain employee standard.

Achievements: I became employee of the month for commitment and very good results.

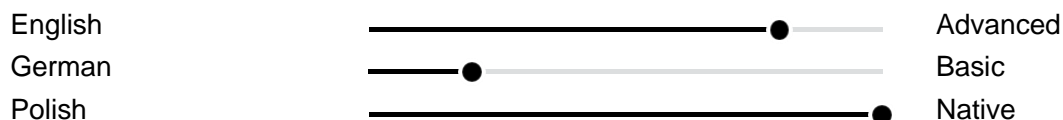

05.2016 – 04.2017 1 year

**Construction Worker** | Cobalt Construction PL LTD | England/Londyn

Short description:

Staying in England has drastically developed my language skills and building skills.

## ● Languages

## ● Skills

Teamwork   Problemsolving   .   Time management   Computer skills   Programming   .  
Python(beginner)   .   Analytical thinking   .   Customer service
